## EMPLOYMENT

---

### **Applications Developer, Intern      iNautix Technologies      Feb 2015 – June 2015**

Portfolio Game

- 5 players play for 3 days from 9AM to 3PM each day to increase their portfolio by buying/selling shares
- Tried to implement agile modelling in which I played the role of scrum master

### **Applications Developer      iNautix Technologies      Jun 2015 – Present**

Ruleset Manager

- Created a single page proof of concept application for the most complex screen in the system. It was then accepted by the business team and converted into a project.
- We are the first few teams in iNautix to create the entire application using Angular2.

DBVX

- We initiated the process of onboarding the clients into the system in a more automated way. Collaborated with the team in creation of user interface.
- Designed the new way of uploading excel as well as the web based forms to onboard the clients. It reduced the number of man hours for onboarding the clients.

## EDUCATION

---

Qualification	Institution	Board	Percentage	Year of passing
B.E., CSE	Sri Sairam Engineering College	Anna University	86.67	2015
HSC	St. Sebastian Matriculation Higher Secondary School	State Board	94.83	2011
SSLC	St. Sebastian Matriculation Higher Secondary School	Matriculation	93.20	2009

## TECHNICAL EXPERIENCE

### Projects

- VM Lock (2016) – Simple and smart password manager created as a hybrid mobile application.
- Apaarr Procurement Services (2015 – 2016) – A mobile application developed for a startup company. It allows buyers and sellers to register themselves into our platform and thereby they can initiate trade.
- Realtime Translator (2016) – Participated in NEXEN API Hackathon and created a realtime translation tool in just 24hours using IBM API. The concept was appreciated and selected as one of the top 6 best project in hackathon all over iNautix.

## AWARDS

- Star Award (Q3 2016) – Awarded as the best developer in iNautix for Q3 2016.
- Drives and Delivers Excellence Award (2016) – Awarded twice by the team for delivering project needs on time and also for the responsibility that I took for the development.
- University Rank Holder (2011 – 2015) – Anna university 42<sup>nd</sup> rank holder
